BUFFALO

ROUNDUP

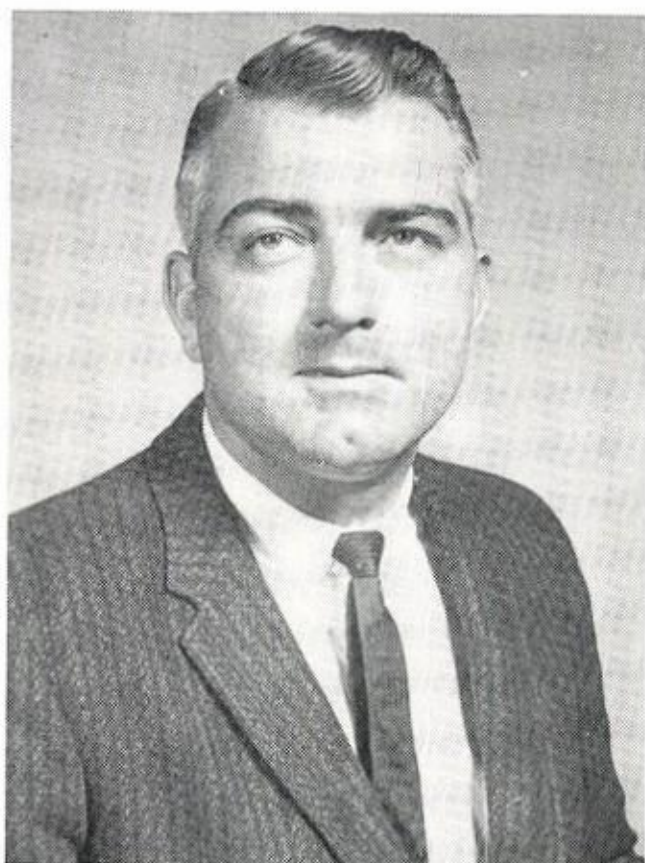

DEDICATION

School these days is really "big business" and it takes big men to make it a success. We are truly proud of our school and of the men who have made it what it is. In recognition of these facts we, the Staff of the 1961 Buffalo Round Up of Stanton High School, have dedicated this book to our Board of School Trustees. We are grateful to these successful business men of our town who are giving their time and efforts to make our schools better and better.

When it comes our time to manage the affairs of the school, we want to justify the faith which these men have in us and to carry on the progressive ideas and improvements as they are doing now.

Student life in Stanton High School is made up of a variety of activities. The class work, the sports, and all the other extra-curricular activities engaged in by students in high school assist in the making of tomorrow's citizens. Students in Stanton High School have had the advantage of some of the finest training, and they have met these opportunities with enthusiasm. They have taken advantage of every opportunity and have turned in a mighty performance to make a great name for their school. It would take many more volumes than this one yearbook to show all that the students have accomplished in this year 1960 and 1961. I hope that in this 1961 yearbook we have portrayed a representative part of school life in S. H. S.

For your enjoyment, now and in later years, I present the Buffalo Roundup of 1961.

Sincerely,

La Rue Adkins

Having lost Sale from the beginning of the season due to injuries, and Newman in the opening minutes of the Denver City game due to an injury also, we reshuffle the offense and look it over. It worked out pretty well, too.

Captain Tommy Davis takes time out from the Home Coming game to crown lovely Dianne Turner Home Coming Queen.

Wilma Doshier, Linda Wells, Marsha Bristow, Ruby Doshier, and Phyllis Doshier, are beautiful candidates for the Band Sweetheart.

Kiss the Sweetheart.

Queen Marsha gets a reward.

After lots of hard practicing, the Band entered the marching competition at the Oil Show in Odessa. The work paid off - they won second place trophy in the parade.

FACULTY

REDGY CHURCH, Senior

A boy known to all pupils and teachers by his achievements in High School is Redgy Church. He has been active in Student Council and National Honor Society work throughout his High School years. He served as President of the National Honor Society his Junior year, and as class representative and assembly chairman for the Student Council his Senior year.

Through the four years he has taken an active part in all types of athletics, including football, basketball, and track. He is a member of the Letterman's Club. His final year in sports he was given Honorable Mention as All-District quarterback in football.

Redgy's future will, without doubt, lead him to college at Graceland, Lamoni, Iowa.

If you have noticed someone who goes to all the school functions she can, you have noticed Marsha Bristow. She loves to participate in as many activities as she can and still keep her grades up. She belongs to nearly every club in High School.

Marsha's favorite activities are band and FHA. She has been head majorette of the High School band for three years, and plays first chair saxophone in the Concert Band. She has attended many band clinics and schools. In her FHA work she has done well and hopes to do better. She served one year as District President and as Vice-President of the local chapter. She has completed two of her degrees of achievement and is trying to earn her State degree this year. This is the highest honor an FHA member can receive. She also plans to run for a State office this year.

Marsha really has no favorites in her activities. She has been a member of the National Honor Society since her sophomore year and values it as one of her most important activities. She has also been a very active Student Council Member. She has attended West Texas Forum, State Convention, Southern Association, and last summer was selected as one of 14 Texas Delegates to attend the National Convention of Student Councils held in Janesville, Wisconsin.

She works hard for her own Junior Class. She was class favorite her freshman year, vice-president sophomore year, and secretary this year. Also she had a part in the class play this spring.

Marsha enjoys literary activities too. She has entered Interscholastic League contests each year in debate and spelling.

She enjoys sports, too. In freshman year she played basketball, but gave it up for Tennis.

That she is popular with the students is shown by the fact that she was chosen for two places on Personalities pages of the Yearbook this year - Band Sweetheart and the girl of the Cutest Couple.

Marsha enjoys school and plans to be a teacher after she finishes her college education.

MARSHA BRISTOW, Junior

WHO'S WHO

If you have seen a lovely black pony tail going by like a streak, more than likely it was Elida Reyna trying to make the day long enough to get all her activities worked in. Elida is a very gracious person and has been a joy to all her friends and teachers during all her high school days. She is an athlete as well as an intellectual.

Elida has been one of the most valuable Basketball players all her four years in High School, serving as captain her senior year. She has played volleyball every year except freshman, and was a member of the Pep Squad her junior year.

Last fall the faculty chose her as Citizen of the year to participate in a theme writing contest sponsored by the Daughters of the American Revolution. She wrote on the subject "What Avail if Freedom Fail?" Elida served her class as Student Council Representative both junior and senior years, was a National Honor Society member junior year, and FHA member freshman year. She also assisted some of the teachers with their grading chores.

This year Elida was elected to two of the top honors of the school, Faculty Who's Who and Most Likely to Succeed. The latter honor is by student election to the Personality pages of the Yearbook.

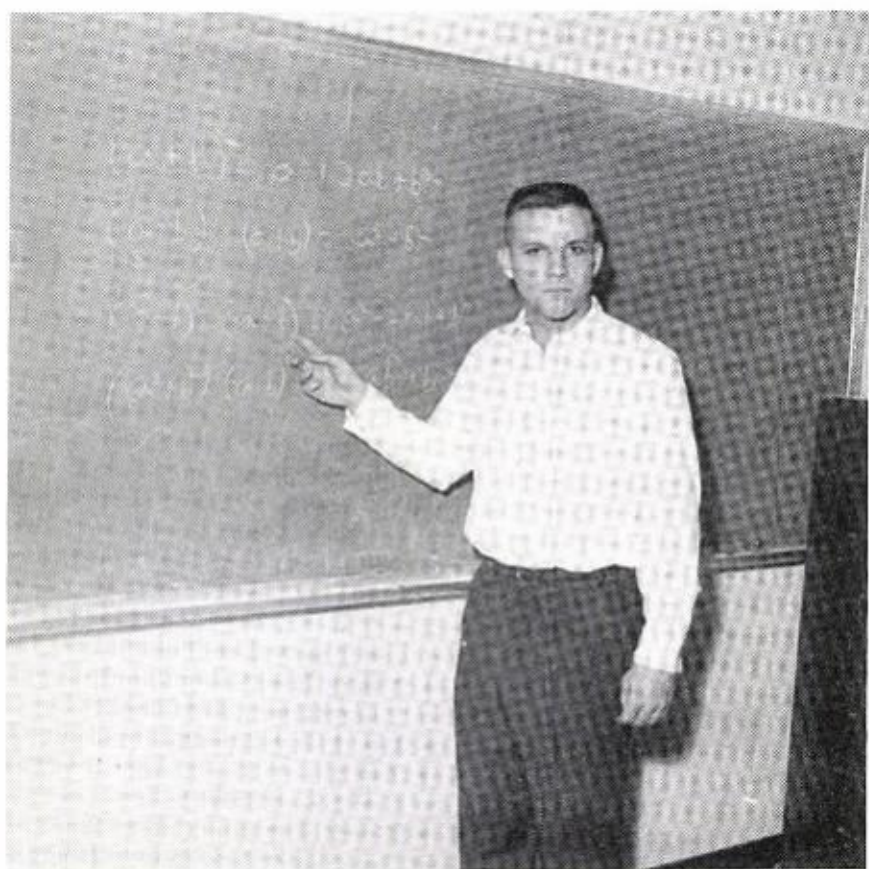

Elida plans to continue her education probably in HCJC for a year or two and after that in Sul Ros.

ELIDA REYNA, Senior

Weems is a fellow who doesn't do much talking about what he does or is going to do, but he has had a big part in lots of things during the four years he has been in SHS.

As for grades, he has been on the honor roll every semester, and was a Chapter member of the National Honor Society. This year he received a Letter of Commendation from the National Merit Scholarship Qualifying Test which is a nation wide test given to all seniors. This letter is a notice that Weems ranked in the top three percent of all High School seniors. He is an alternate on the Student Council for the Senior class.

WEEMS WILLIAMS, Senior

Weems has taken part in almost all the Inter-scholastic League Literary events. He entered Number Sense in his freshman year and placed ninth; in his junior year, his debate team was second in the District. He has received various S awards which are given at the end of school for proficiency in a subject in science, spanish, and math. In his junior year he had a leading part in the play "The Skeleton Walks".

In spite of being literary, Weems is also an athlete. He has played center on the football team since his sophomore year, making the starting line-up as a senior.

This year he made Personality page in the yearbook - his fellow students elected him "Most Likely to Succeed". Weems plans to go to Texas Tech after High School is over.

BOBBY SALE, Senior

Because of his many and varied interests, high intelligence, and a great sense of humor, it is no surprising that Bobby Sale should be elected to Who's Who. Although he has been active in many extra-curricular activities, he has maintained high grades.

His winning many honors and trips with his prize winning beef cattle exemplifies his interests and accomplishments in the local 4-H club. Other agricultural activities include F.F.A. his Freshman and sophomore years.

He lettered in football his Freshman, Sophomore, and Junior years. Another activity in which he participated was Track his Sophomore and Junior years.

His popularity with the Students is shown by electing him Vice President of his class his Junior year, Student Council treasurer, National Honor Society president, Mr. SHS, and most handsome all in his Senior year.

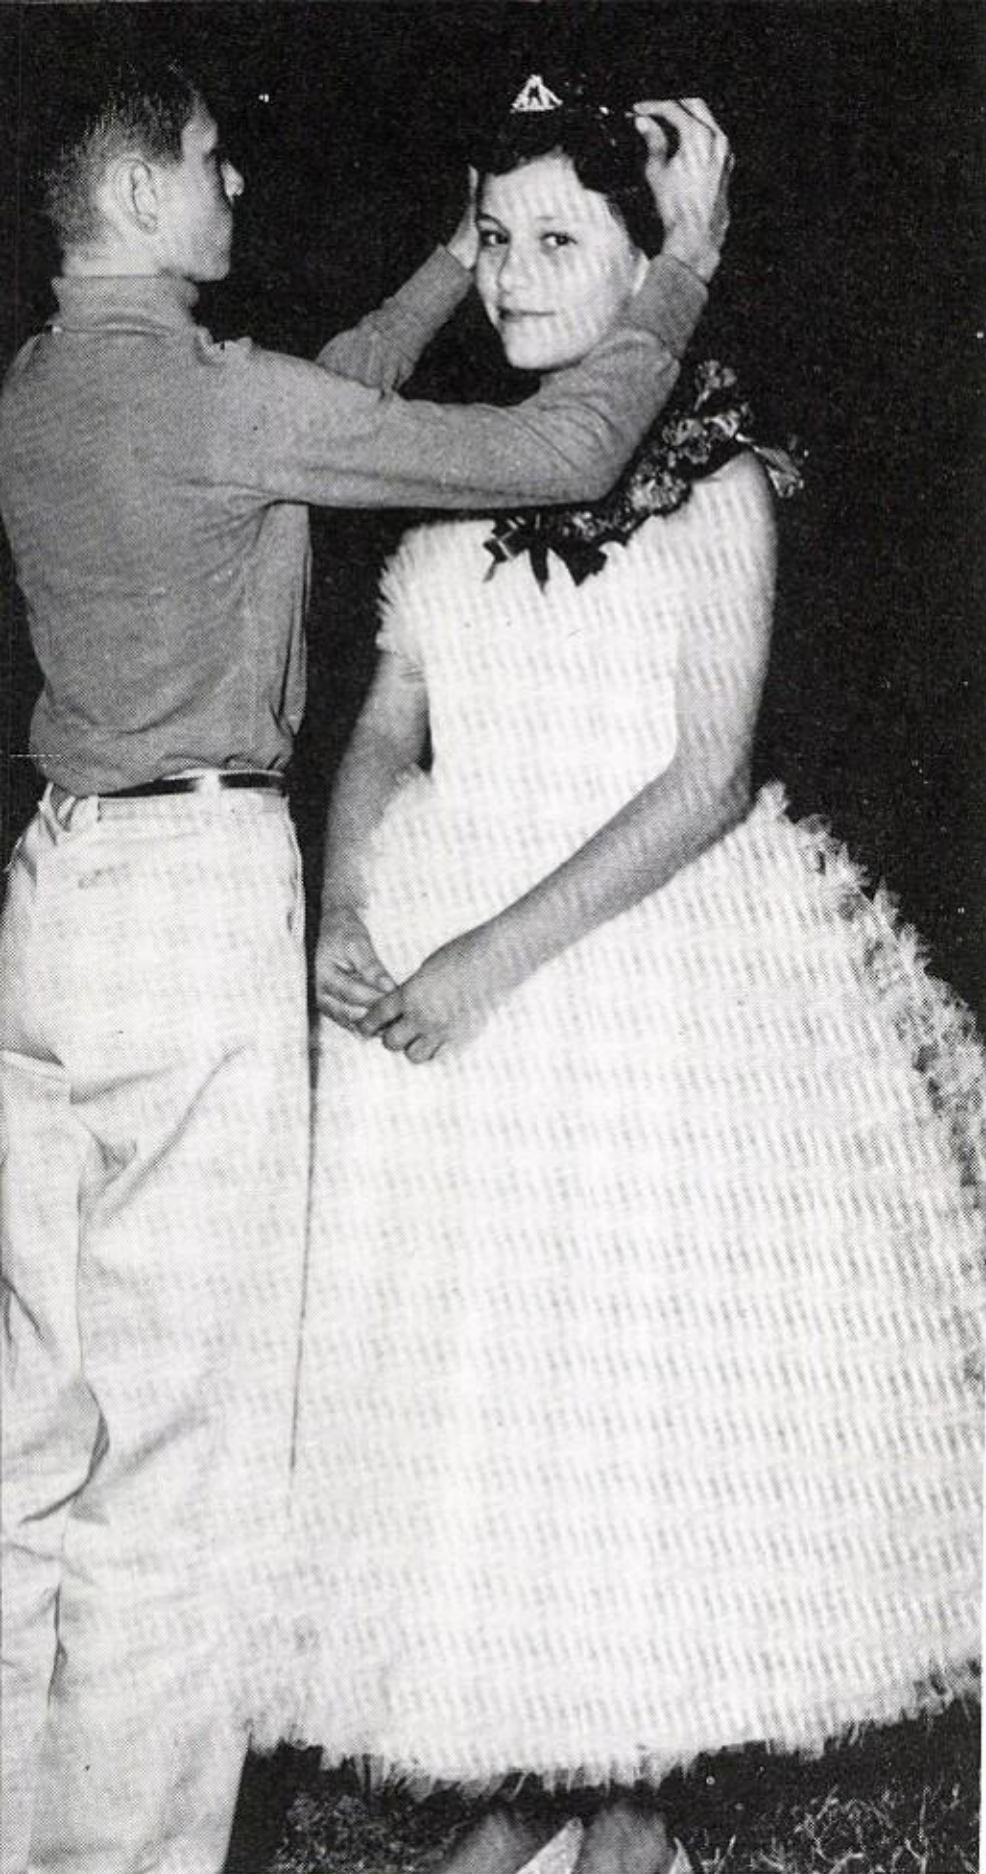

The teachers have nodded their approval of Bobby by electing him to the National Honor Society, Yearbook Who's Who, and by appointing him as business manager for both The Buffalo Heard and The Buffalo Roundup.

All must agree that it is certainly a credit to Stanton High School to have had Bobby as a student.

WHO'S WHO IN STANTON HIGH

These are students chosen by the faculty who, in comparison with the average of their classmates,

1. have shown themselves to be better citizens;
2. have shown greater potentialities for future usefulness to themselves and to society;
3. have shown a superior or above average proficiency in some or all of the following:
 - a. scholarship
 - b. athletics
 - c. publications
 - d. speech
 - e. music
 - f. leadership and service in school, church, or community service
 - g. membership and services in offices held in school organizations
 - h. useful and successful hobbies.

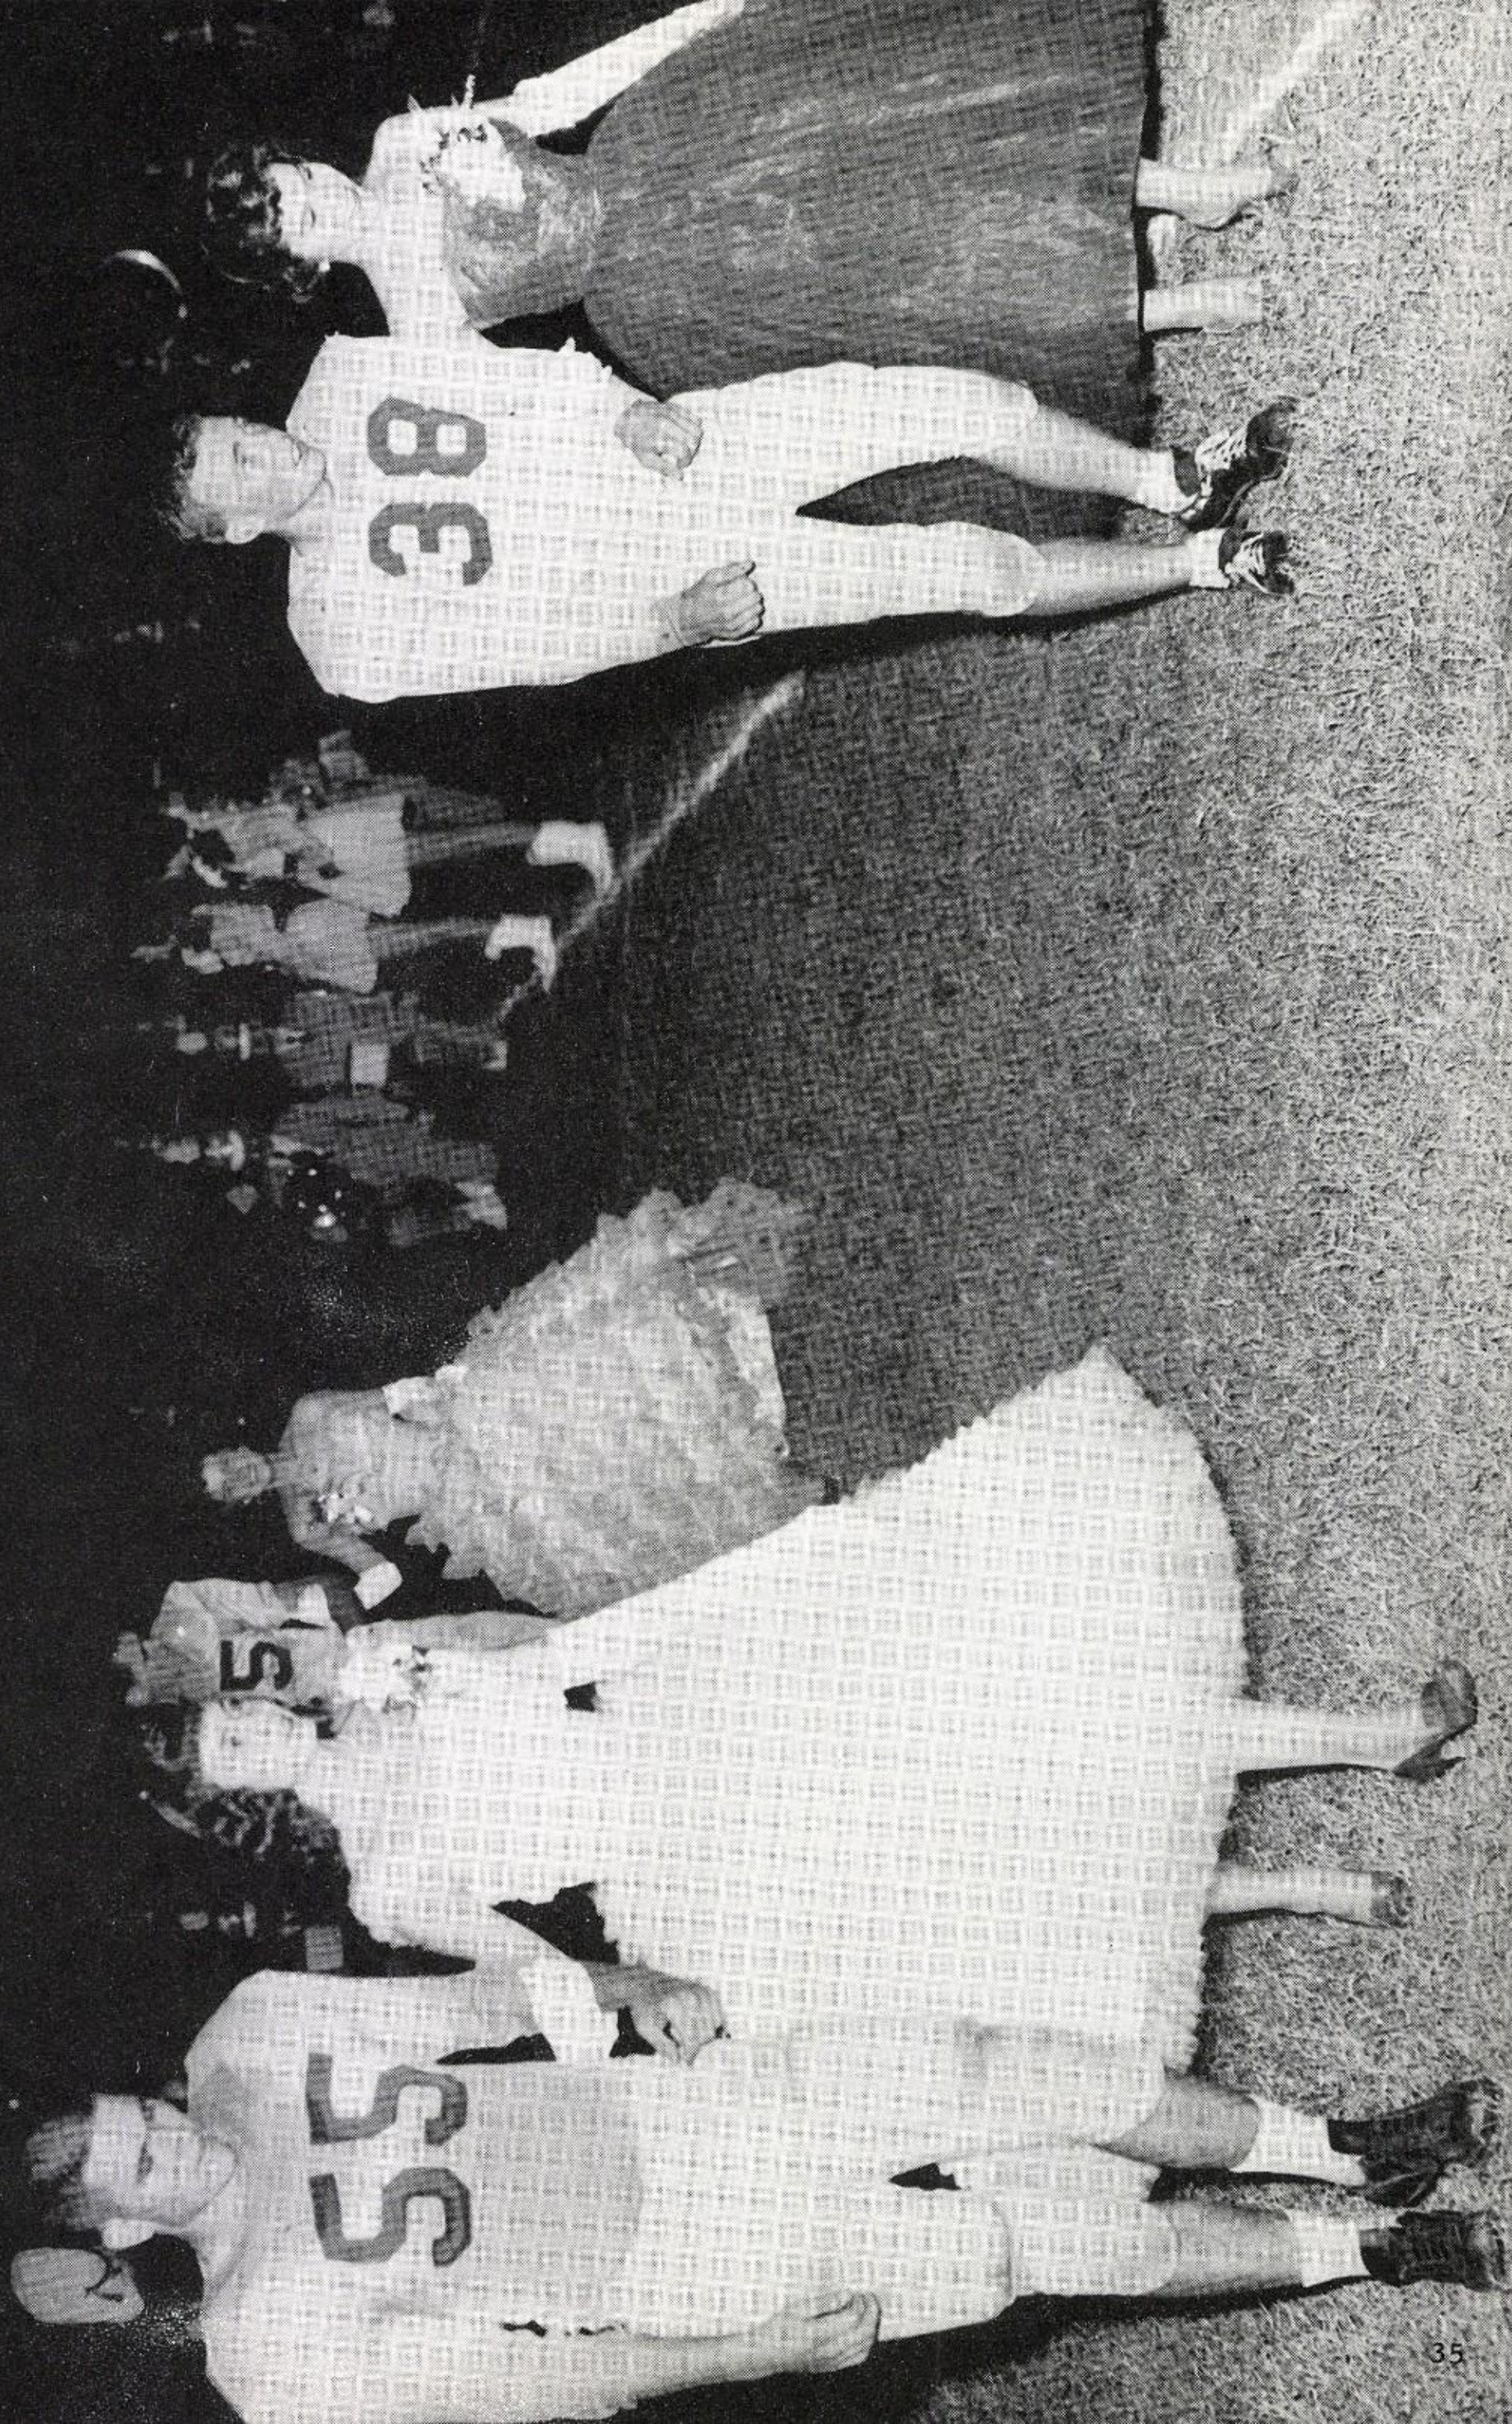

Jan House, Junior Band Sweetheart is crowned by Mike Wood, Drum Major.

Nancy Graves, Queen of the Buffalo Calves, with Captains Derrill Brantley and Sammy Badgett.

The Student Council is a service organization. Its representatives are elected from the student body by the students of Stanton High School.

The purpose of the Council is to fulfill the desires of the student body as a whole. In doing this, the Council sponsors such activities as door decorations, assemblies, parties, Twirp Week, and Home Coming.

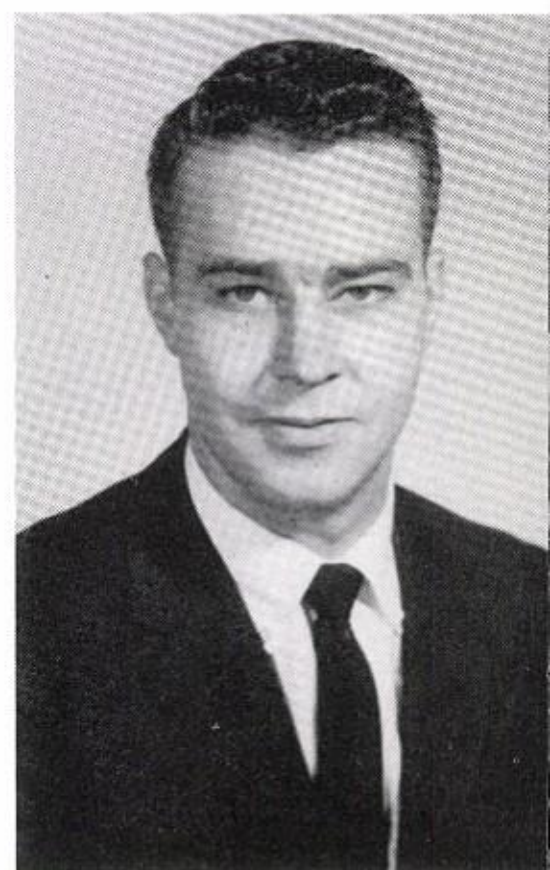

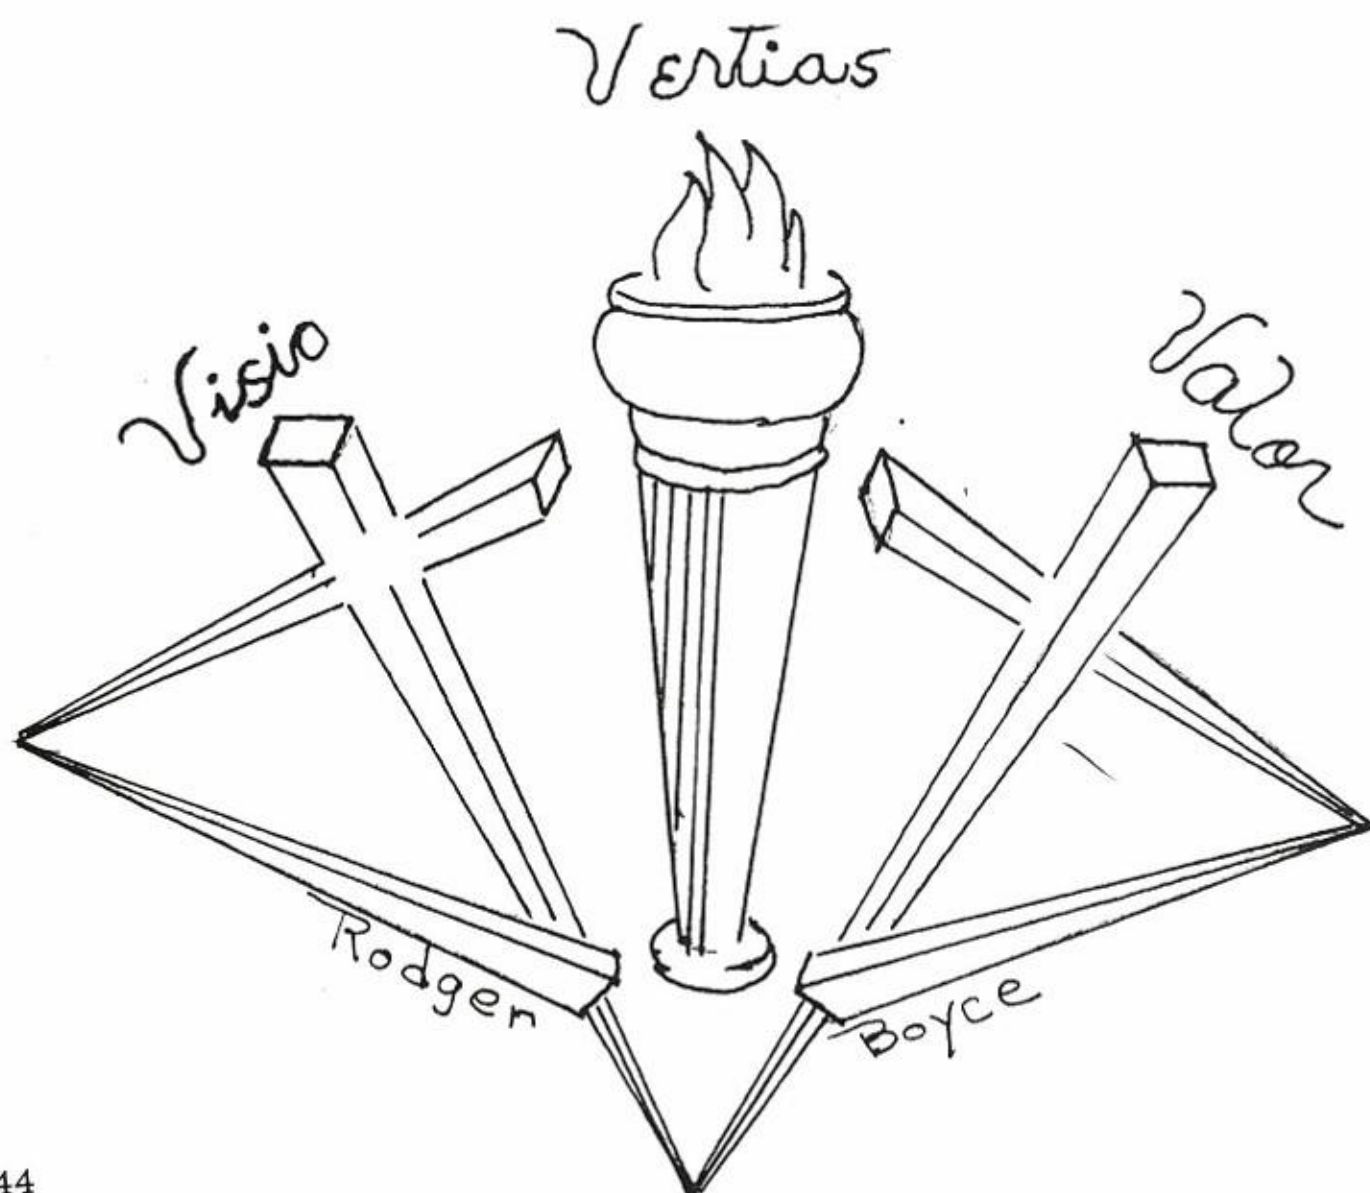

This year's Council served as Vice-President of the West Texas Forum of Student Councils. They attended Forum meetings in Ozona and Big Spring. Also they attended the State meeting in Odessa. The delegates, who are next year's officers, led a discussion group entitled "Why Have A Student Council?"

Sponsors are Mr. Jimmy Bickley and Mr. Taylor Stephenson.

THE NATIONAL HONOR SOCIETY

To belong to this Society is indeed an honor. Members are chosen by vote of the entire faculty, and must have and maintain an average of 90 with no grade lower than 80. The members are not more than 5 per cent of the sophomore class, 10 per cent of the junior class, and 15 per cent of the seniors.

The purposes of this society are to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and encourage the development of character.

Members this year are: Marsha Bristow, Glenda Payne, Bobby Sale, Mona Epley, Weems Williams, Redgy Church, Nina Yater, Frances Graves, Sandra Powell, Dorothy Lawson, and Marcus Hanna.

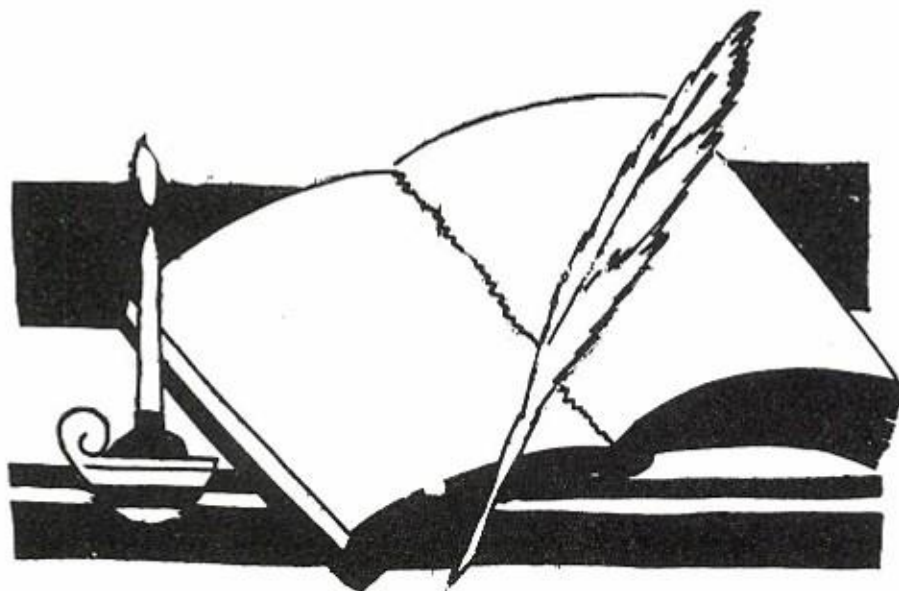

LIBRARIANS

SEATED: Robbie Haggard, Carolinne Womack, Kathy Glendening, Dora Gonzalez, Herman Cain, Judy Cain, Sandra Miller, Ina Faye Kilpatrick. STANDING: Sandra Powell, Helen Glaspie, Betty Hedrick, Shirlen Yell, June Harrell, Mrs. Corinne Cage - sponsor, Bob Stephenson, Caryl Petree, Lynda Perry, Fran Thraikill.

The work these people do is a very important part of school work. Without the Library, school would not function very well. The boys and girls who do this work have to have a great deal of patience and diplomacy to work with other boys and girls, especially those who think sometimes that they have returned a book when all the time that book is right where that fellow used it last.

Mrs. Cage teaches these students about the library and how and where to find the wanted books. We express our sincere appreciation to her and to the student librarians.

HIGH SCHOOL MARCHING BAND

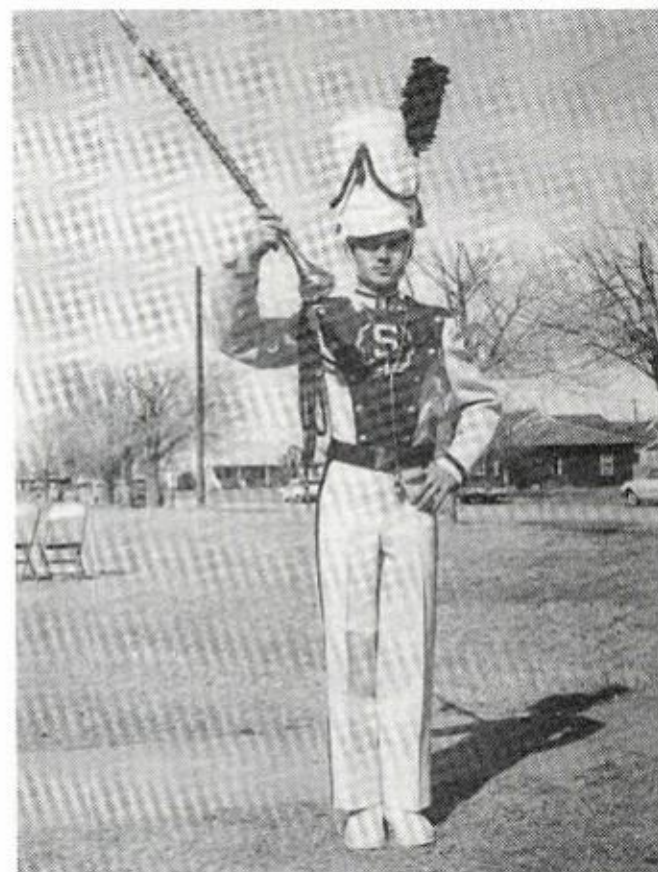

This school year the band has been an active organization. Ensembles and soloists have played for PTA, Band Parents' Club, Lions Club, District Music Meeting, Martin County Teachers, and other Service Organizations. It performed for all football games and pep rallies, Santa Claus Day, and the Christmas Festival.

Contests played a major role in building up enthusiasm in the band. In marching, Stanton acquired a Division II, with a Division I in inspection. Solo contests and concert contests are yet to come. A second place trophy was won by the band at the Permian Basin Oil Parade at Odessa. A marching festival was attended at Seagraves.

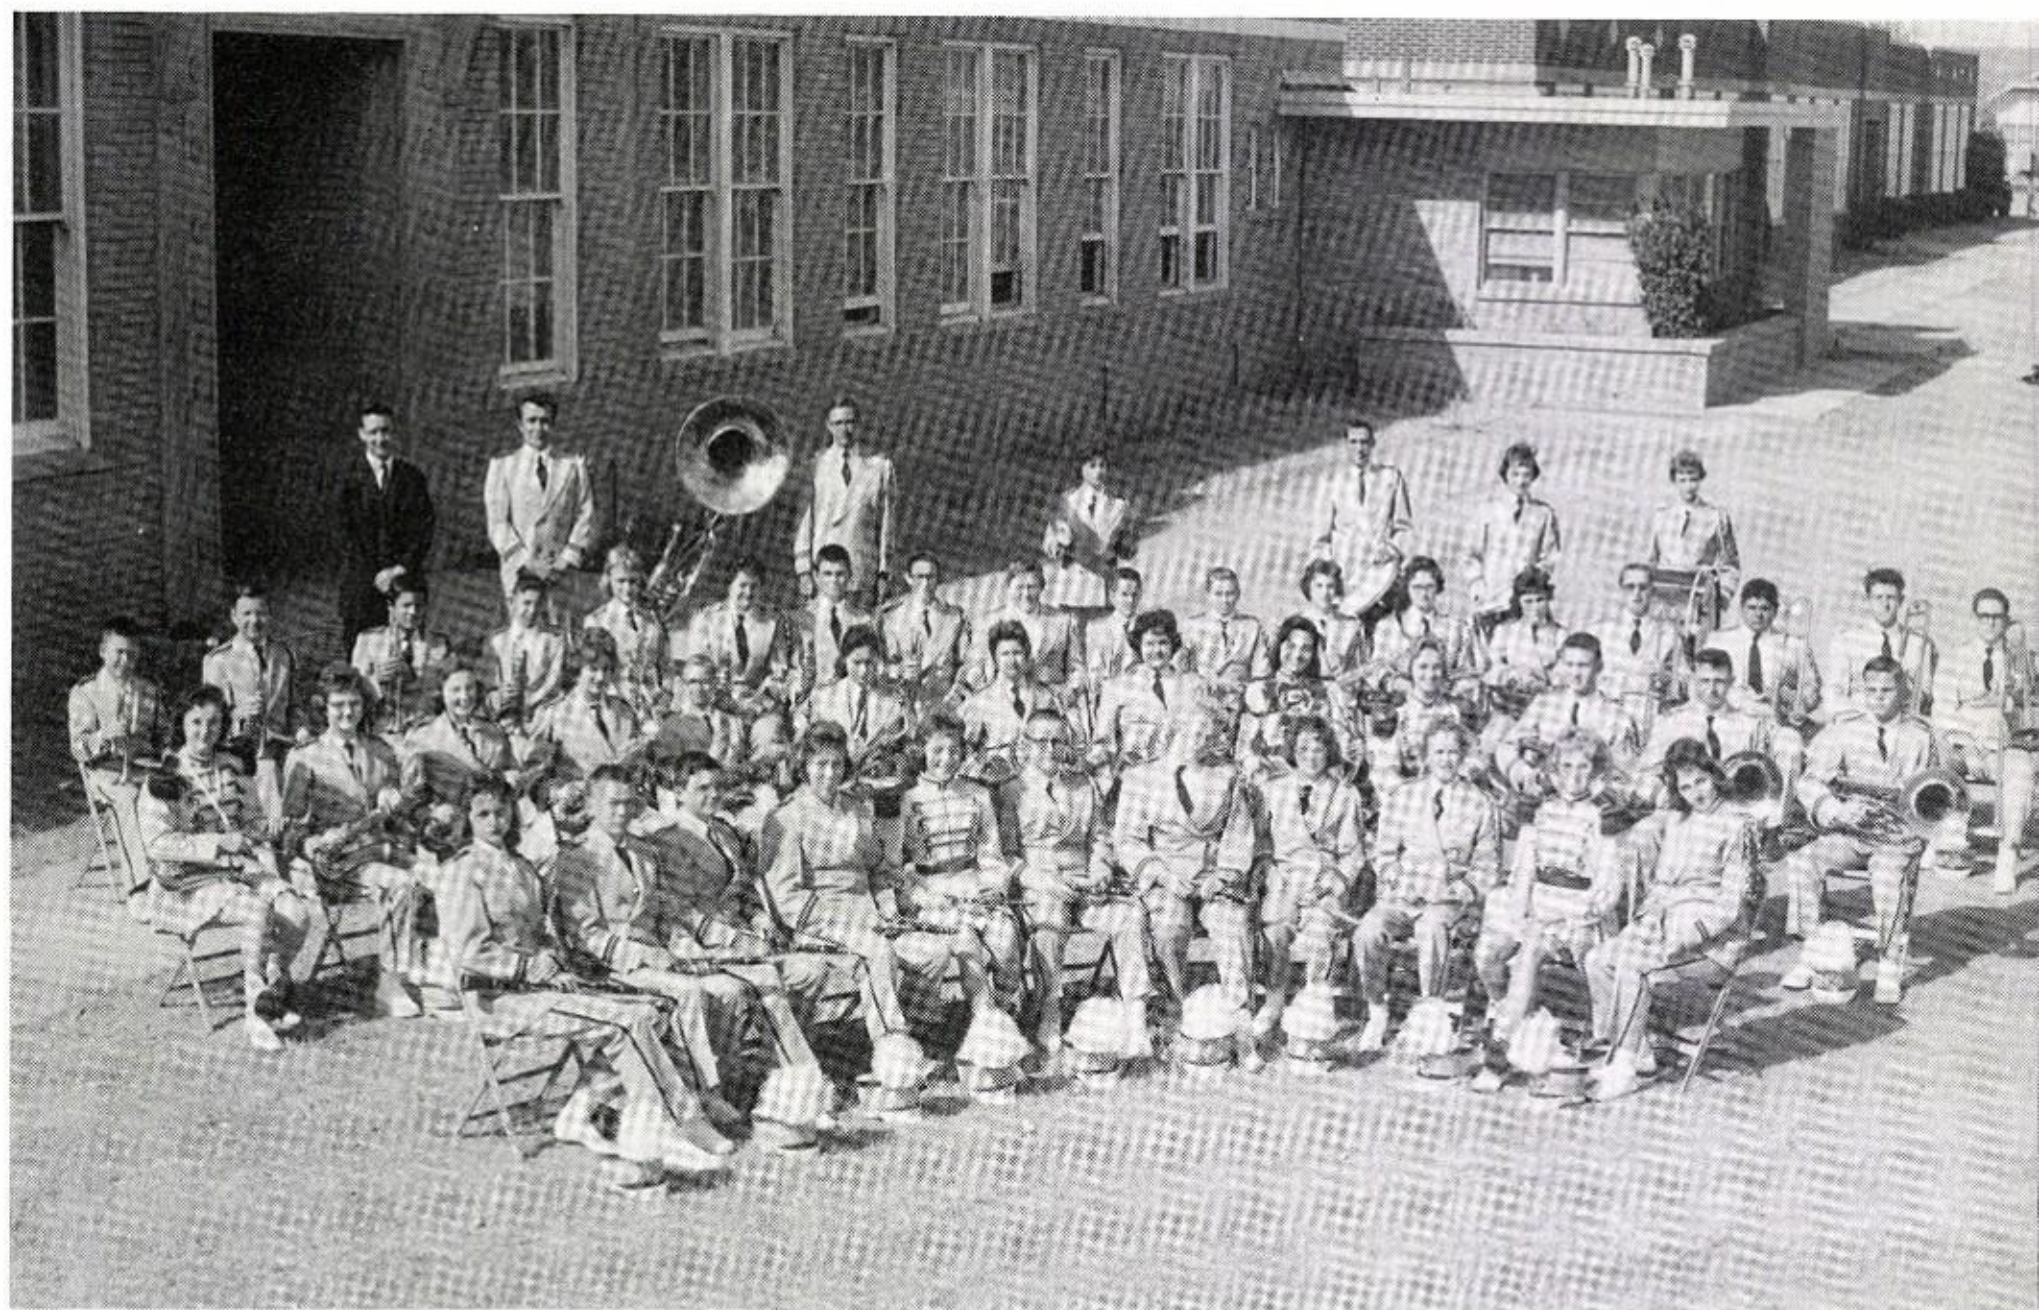

This renewed idea of a winning band can be attributed to the vigorous attitude of the band members and to the untiring enthusiasm of the director, Mr. Taylor Stephenson. Not to be forgotten also is the interest and help of the parents.

All the people pictured above contributed a great deal to the making of this book. They sold advertising in Big Spring, Midland, and Stanton; and sold subscriptions to their fellow students. Some of them, especially Ann, Joanna, and Kay on Snapshot pages, helped with the make-up of the various pages and the typing.

Mr. Coats Bentley
School Trustee

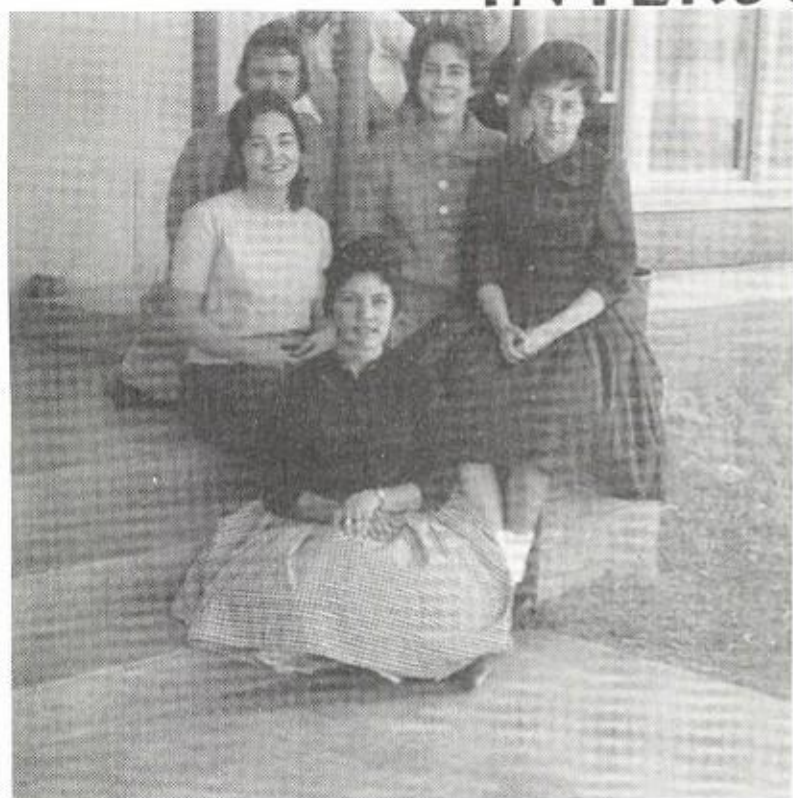

Satisfaction!

We offer our apologies to Mr. Bentley for putting him on this snapshot page. But he isn't in too bad company, is he?

In January Mr. Marshall Johnson moved to San Angelo and resigned from the School Board. Mr Bentley was chosen by the Board to serve out Mr. Johnson's unexpired term. At that time the pages with the pictures of the Trustees had already gone to press, so we are taking this way of honoring Mr. Bentley.

INDEX

Administration

May I express my appreciation to the Yearbook staff and their sponsor for the time and effort they have put into this year's book, and for the wonderful success they have made of it.

I would also like to express to the faculty and to the principals my sincere thanks for their cooperation and efforts to make this year the best of all years at Stanton. I feel that through your efforts our students and patrons are fast becoming conscious of the fact that our school system is growing in its educational efforts and accomplishments. As we have heard so much concerning the progress we should make in the 60's, let's all strive to help our nation accomplish this progress.

It would be thoughtless indeed not to give proper thanks to our Board of Education for the time, effort, and support they have given to our school.

Also we need to express our appreciation to our community for its support of our school because it is through the community that we have our success.

Sincerely,

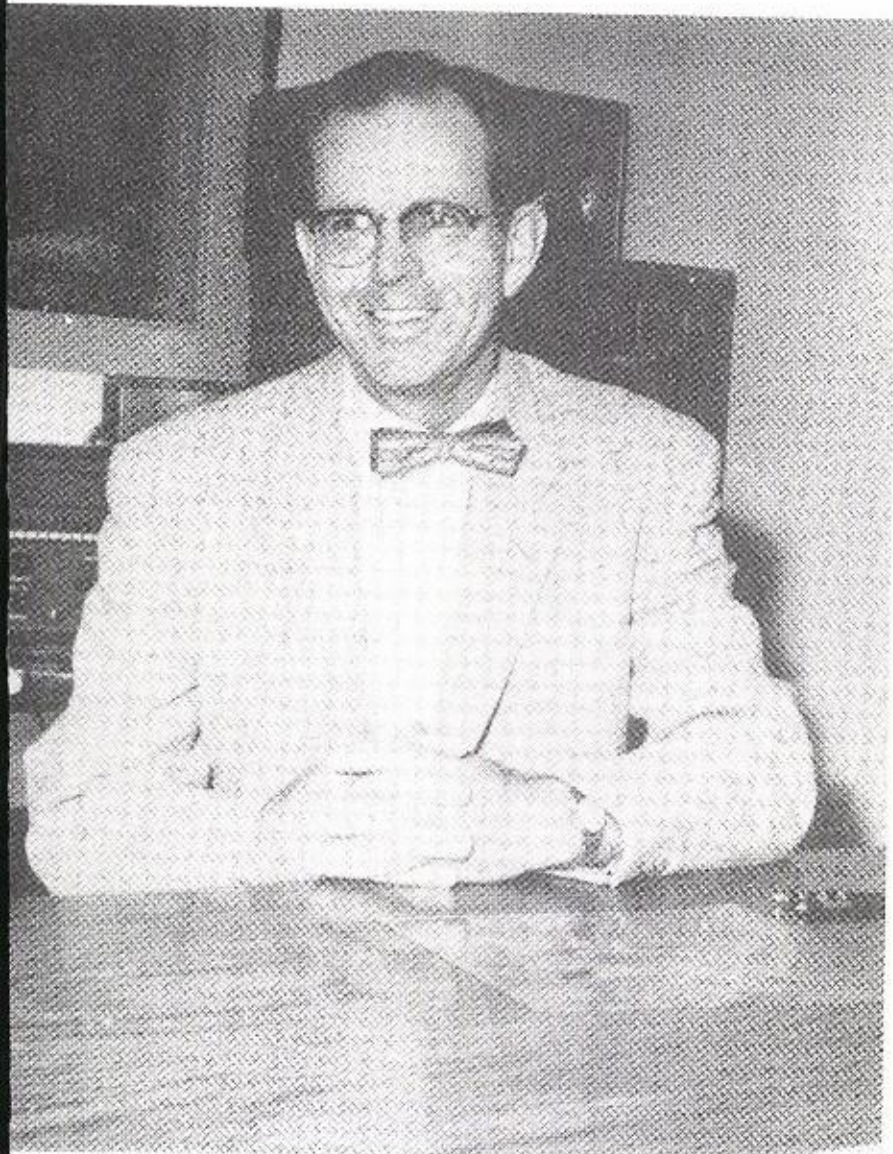

A large, stylized handwritten signature in dark ink, appearing to read "J. W. Hays". The signature is written over a horizontal line.

Planning ahead for your electrical future

How many new uses for electricity will you enjoy 10 or 15 years from now? No one can tell you today, but men are at work in the laboratories developing new electrical conveniences you will use in the years to come. And there will be plenty of electricity to operate these electrical appliances of tomorrow. Business-managed electric companies, like Texas Electric Service Company, constantly plan and build ahead to keep your electric service supply plentiful and dependable . . . ready when needed for progress and for better living.

And so we come to the end of another year and of another Yearbook - the biggest, if not the best, of all our Yearbooks. We have had a lot of fun, and some hard work, making this book, and we hope all of you who look at it enjoy that as much as we enjoyed making it for you to read.

Here we would like to express our appreciation to our sponsors - those business firms who helped us so generously with their advertisements. Without this help we could not publish a book of this length and content. Our thanks go also to the members of the faculty who were so patient with our absences from class while we worked on the book.
